SERIES DETAILS		
Name: Therapeutics & Pharmacy		
Caption: University of Virginia - Lhasa Ment	sikhang collection of videos on therapeutics and pharmacy in Tibetan medicine.	
	Lhasa Factory of Tibetan Medicine, on Nyangrel Road, in the summer of 2001. Videos show the various stages of preparation uss other aspects of Tibetan pharmacy in Lhasa today.	
Source Language Name:		
Source Language Caption:		
Source Language Description:		
Workflow Status: March 2003: Nearly all titles in this series have been edited and are available for viewing. Nearly all have been transcribed into Tibetan; processing of these for integration into XML-based software will take place in Lhasa in the spring of 2003. None of the titles have been translated into English.
